

FALL MEETING - New England Database User Group

Please join Discovery Training's Fall meeting of the New England Database User Group. This networking group is designed to help Raiser's Edge, FileMaker & Access users share experiences and learn more about the software from their peers.

The **LEAP for Kids** will hold our fall meeting. LEAP is an academic and social enrichment program serving children and youth from New Haven's most challenged neighborhoods. Please join our hostess, Lucy Diaz, Director of Development. The topic is *Data Mining with Export & Excel*. Whether a veteran or new to the position, every attendee will take away a new tip to manage and clean-up database lists, while understanding best practices in fundraising and direct marketing. This is a great team training and networking opportunity to learn together, and brainstorm with industry experts!

DATE & TIME: Wednesday, October 10, 2012 from 8:30 to 11:00 AM

LOCATION: **LEAP for Kids**, 31 Jefferson Street, New Haven, (203) 773-0770
Conveniently located off of I91, Exit 4, State Street Exit. See <http://www.leapforkids.org/DrivingDirections/default.asp> for directions. Note: Parking is limited on Jefferson Street, behind the LEAP building on Grand Avenue.

AGENDA

- 8:30 – 9:00 **Sign-in**, Breakfast and Networking
- 9:00 – 9:15 **Introductions**
- 9:15 – 9:45 **Mining Your Database with Export & Excel**
- 9:45 – 11:00 **Share & Learn Interactive Question & Answer Session**

Questions? Please call us at 203-269-2624.
