

Summer MEETING - New England Database User Group

Please join Discovery Training's Summer meeting of the New England Database User Group. This networking group is designed to help Raiser's Edge, Donor Perfect, FileMaker & Access users share experiences and learn more about the software from their peers.

LEAP for Kids hosts the summer meeting. LEAP is an academic and social enrichment program serving children and youth from New Haven's most challenged neighborhoods. The topic is *Managing Lists ~ Harness Best Practices with Import & Export*. Whether a veteran or new to the position, every attendee learns a tip or two and gains invaluable networking and best practices in database, fundraising and direct marketing. From queries to cloud hosting, bring your team's next database challenge to our peer table. This is a great team training and networking opportunity to learn together, and brainstorm with industry experts!

DATE & TIME: Thursday, August 4, 2016 from 9:00 to 11:00 AM

LOCATION: **LEAP for Kids**, 31 Jefferson Street, New Haven, (203) 773-0770
Conveniently located off of I91, Exit 4, State Street Exit. See <http://www.leapforkids.org/DrivingDirections/default.asp> for directions. Note: Parking is limited on Jefferson Street, behind the LEAP building on Grand Avenue.
